The course is fully accredited nationally recognised training and, in the ACT, will lead to the issuance of a Class 1A and Class 1C licence.
- The course covers the basic legal, operational knowledge and skills to start working in the manpower sectors of the security industry. All candidates must complete a minimum of 600 hours of training, combining face to face learning in a classroom environment and supported distance learning away from class.
- Upon successful completion of the course, candidates can apply directly to Access Canberra for their security licence. You will need to provide your Certification, current First Aid Certificate and evidence of completing Workplace Rights and Responsibilities training.
